

<FORTIS FUNDING>

<Community Funding & Sponsorship>

Investing in partnerships

Fortis Living can support external organisations, groups and clubs which make a positive difference in our communities, through either funding of projects or sponsorship. The maximum amount is £500.

All requests are now considered in the context of our Strategic Plan, ensuring that any support to external organisations assists in achieving the objectives and targets associated with our own priorities outlined in the plan.

THE EVALUATION PROCESS

Every request will be considered and scored using the table below and the maximum amount of funding you can apply for is £500. Scores over 6 will be judged as being eligible for funding, dependent on funding being available at that time:

EVALUATION	GUIDE TO SCORING	1	2	3
Relevance to Fortis Strategic objectives?	1- no relevance 2 – some links 3– strong links to Fortis objectives			
How will the proposed project benefit Fortis Living tenants?	1 – 3 1 won't to 3 will a lot			
Fortis Forum	1 – low 3- high			
TOTAL	Scores > 6 funding to be considered			

This proposal and scoring will be approved by Fortis Living's Fortis Forum.

MONITORING

Where we award community grants/sponsorship the organisations will be required to submit a monitoring form to Fortis Living upon completion of your project. On this form you

will detail the achievements and final costs of the project and you will need to present receipts for all monies spent. Any unspent monies must be returned to Fortis.
